

# Gender Justice Beyond Borders

## Migrant Youth Leadership Program (MYLP)

Passionate about migrant rights and gender justice?  
Ready to advocate for change at the EU level?  
Then this program is for you!

### What?

The “Gender Justice Beyond Borders” - Migrant Youth Leadership Program (MYLP) is an initiative by WoW (With or Without) and the Center for Migration, Gender, and Justice (CMGJ). The program trains migrant youth for collective action at the intersection of migration and gender.

### Why?

In 2022, the MYLP focuses on migrant domestic workers (MDWs) in Europe within the framework of the International Labor Organization (ILO) Convention C190 on harassment and violence in the world of work. Women MDWs in Europe face high risk of labor and human right abuses - often with limited protections as less than 40% of all national labor laws globally protect domestic workers.

### How?

The six-month program consists of three components (June - December 2022):

- Education: Online Course
- Research: Workshop Series
- Advocacy: Campaign Curation “16 Days of Activism against Gender-Based Violence”

### Who?

Migrant youth (18-30 years) from across Europe are invited to participate in the program and will receive a stipend to support their engagement in the program. The program will be held in English and combines online and in-person participation (conditional to COVID-19 restrictions).

### Apply now!

To apply, please submit your resume and a statement of interest (1 page) to [info@migrationgenderjustice.com](mailto:info@migrationgenderjustice.com) by June 1, 2022. Short-listed candidates will be contacted for an interview. We look forward to hearing from you! More information about the program can be found on our website.

“The MYLP has helped me grow personally and professionally. Combining theory and practice, the program has enabled me to effectively understand the intersectional nuances between migration and gender while also allowing me to navigate practical domains of policy-making and advocacy.

As a former participant and now as the 2022 MYLP Program Youth Coordinator, I am excited to share my experiences and facilitate capacity-building for the next generation of migrant youth leaders.” - Isha Mandal
